

JUST JESS on HEALTH:

Biopuncture

Homeopathic biopuncture is delivered subcutaneously to stimulate with treatment and healing. These injections can be used to reduce inflammation, boost the immune system, prophylactic approaches, infections, detoxification and boost mood and energy

The following injections are currently available in practice:

- Lymphomyosot – Lymph drainage, liver detoxification & anti-inflammatory.
- Traumeel – Injuries, sprains, strains, arthritis, muscle & joint pain.
- Echinacea – Assists in boosting the immune system and acting as a prophylaxis against colds and flu's (anti-bacterial & ant-viral)
- Engystol – Upper respiratory tract infections and influenza (anti-bacterial & ant-viral)
- Tonico injeel – Assists with physical and mental exhaustion as a result of stress or prolonged illness.
- B complex injections - Boosts red blood cell production, increase energy levels and allows for optimal functioning of the brain, heart & nervous system

If you would like to book your appointment; or discuss which injection will be best for you; please don't hesitate to reach out.

Do you have questions? Drop me some topics you would like discussed in my upcoming articles.

Kind regards
Dr Jess
